Dear Choral Parents,

Welcome from the Langley Choral Guild! We have a very exciting year ahead of us as we launch our second year under the leadership of Caroline Player! The Guild will welcome the students back with a donut party during links in the first two weeks of school, at which time we will also be measuring for concert attire. On Friday 9/8, we will treat them to an ice cream social after school to promote engagement between the choral groups. The Guild is committed to supporting Langley Chorus to ensure students have fun, grow musically, and thrive.

If you are not familiar with the Guild, we are a 501(c)(3) organization of parent volunteers that proudly provides administrative, creative, and financial support to the award-winning Langley Choral Program. There are many volunteer opportunities to support this wonderful group of singers. Please take the time to read the attached material to learn more about how you can get involved. The three big events every year are the Renaissance Feaste, Spring Trip, and Spring Show. They all require help from parent volunteers to make them successful. There are also smaller ways to get involved including concert concessions, car wash fundraisers and more!

We have many vacant positions for this year, so please consider taking on a role to help. Your involvement is critical to the success of the Langley choral program especially this year as we continue to grow choir experiences, including an overseas spring trip.

We strongly encourage all families to join the Choral Guild for \$40 and we welcome all additional financial contributions to support the choral program. Your donations are tax deductible and form much of our working capital. Please check to see if your company will match your donations. We rely on donations to fund our programs and support our students.

The Langley Chorus website, www.langleychorus.com, is your source for information about the Langley Choral program. To ensure you receive important messages throughout the year, please subscribe to the email list (TWIC) on the website.

Please reach out if you have any questions or want more information. The Langley Choral Guild Executive Board is excited to work together to make this a fabulous year for our students. We look forward to an exciting year of performances from our choral students!

Sincerely,

Jane Murchison (jane.murchison@gmail.com)
