

LANGLEY HS HOSTING THE DISTRICT XII CHORAL ASSESSMENT

March 17 and 18, 2022

Overview

The District XII Choral Assessment is an event open to all high schools in our district. A high school is selected to host every several years and this year Langley was selected. Assessment at LHS begins on **Thursday, March 17 at 2:00 pm and goes to 10:00 pm**. The second day is **Friday, March 18 (2:00 – 10:00 pm)**.

We will be hosting 39 individual choirs over two days (including our 4 choirs).

Each chorus performs a warm-up section and two adjudicated (judged) selections before a panel of judges. The judges grade each chorus on their performance giving each chorus a rating (superior, excellent, good, fair) and comments. Each chorus is also judged on their sight-reading ability.

For this event to be successful, it is essential that at least one parent per family signs up to help. We have committee chair positions as well as volunteers for different stations. Volunteers will work in 3 hour overlapping shifts.

Parents can sign up on the SUG here:
