August 2021

Dear Choral Parents,

Welcome from the Langley Choral Guild! The past year and a half have been challenging for all and we look forward to a more normal year at school and in choir. If you are not familiar with the Guild, we are a parent group that proudly provides administrative, creative, and financial support to the award-winning Langley Choral Program.

There are many volunteer opportunities to support this wonderful group of singers. Please take the time to read the enclosed materials to learn more about the Choral Guild and how you can get involved. The three big events every year are the Renaissance Feaste, Spring Trip, and Spring Show. They all require help from parent volunteers to make them successful.

We have many vacant positions for this rebuilding year, so please consider taking on a role to help. Your involvement is critical to the success of the Langley choral program especially this year as we aspire to return to our traditional choir experiences.

We strongly encourage all families to join the Choral Guild for \$35 and we welcome all additional financial contributions to support the choral program. Your donations are tax deductible and form much of our working capital. Many companies match donations, so please check if yours does. We rely heavily on donations to fund our programs and support our choral students.

The Langley Chorus website, [www.langleychorus.com](http://www.langleychorus.com), is your source for information about the Langley Choral program. To ensure you receive important messages throughout the year, please subscribe to the email list on the website (see the enclosed Newsletter and Directory form for instructions.)

Come meet fellow chorus parents at the Ice Cream Social on Friday, September 10th at 7:00 pm in the auditorium. Dr. Lambert and Choral Guild officers will be there, and the students will perform a few songs to show what they've worked on so far. You won't want to miss this event!

Please reach out if you have any questions or want more information. We can't wait to see you all on September 10th and work together to make this a fantastic year for our students.

Sincerely,

Kim Buckingham
